When You Think Of Selling Your Collection

FOR SPOT CASH OR AT AUCTION . . .

I invite you to write me for my terms and methods of sale. This will be furnished you without cost or obligation. It is well for you to remember that I have devoted my entire time to the Numismatic Profession for the past twelve years and was a part-time dealer and collector prior to that time. When you place your collection with me, you are assured of the security of your coins and the fulfillment of our agreement to the letter. My financial responsibility, as evidenced by the rating given by Dun & Bradstreet, Inc., is ample proof of this statement. (My bank reference is the Winters National Bank & Trust Company, Dayton, Ohio). My honesty and integrity with the collector is a matter of record of which I am very proud. You should, by all means, give these facts your careful consideration.

Consignments Solicited

If you prefer to sell your collection for immediate cash, I am in a position, due to my extensive clientele, so that I can afford to and do pay more for collections than any other market.

Write me when interested. No collection is too large, and certainly none too small, to receive prompt and courteous attention.

Will call for personal interviews anywhere in the world if transaction warrants.
